

**Indoor/Outdoor**

**Anti-Glare**

## Self-Adhesive Sign Holders

This repositionable, reusable, self-adhesive sign holder helps administrators and teachers quickly and easily post and update signs on any wall, window or solid non-porous surface without using any hardware or leaving sticky residue.

- Repositionable and reusable on glass, windows or walls
- Anti-glare coating improves clarity
- Use in portrait or landscape orientations
- Available in three colors and two standard sizes
- 2 sign holders per pack
