Custom Printed Chair Mats

Promote your organization
or personalize your space

Features:

- Use in high visibility areas for impressive impact
- Vivid reproduction of fine details and high-resolution color graphics are easily achieved through our specialized digital printing process
- Protects low-to-medium pile carpets and hard floor surfaces from everyday wear and tear
- Durable construction for maximum performance in demanding high-traffic areas
- Easy-glide rolling surface reduces back strain and resists scuffs caused by chair casters
- Customer supplies artwork (as specified under Art Requirements)
