

Document Holder

Deflecto's document holder is the perfect choice for protecting important documents while on the road. This waterproof document holder offers a 3/8-inch weather seal gasket and stainless steel hinges and latch to ensure your documents are safe from rain, snow, and dust. The interior document clip allows you to keep papers in one place for easy access. Ideally this document holder is recommended for truck, trailer and container use, but has unlimited uses thanks to its lightweight, aluminum box construction.
